March 31	Flow Cytometry Days (Core Facility Flow Cytometry)	10 am to 4 pm
April 01	BIGS I&I Gathering: reJoyce (Pub)	8 pm
April 05	Cluster Lecture Series: Innate Immune Regulatory Circuits and Viral Antagonism (Michaela Gack, PhD)	3:00 pm, online
April 13	Cluster Lecture Series: Norovirus: Dying to live (Jason Makenzie)	1:00 pm, online
April 20 – May 25	BIGS I&I Workshop: Hands on R (CUBA, Andreas Bunes)	4 pm, online
May 06	BIGS I&I How to Series: How to convince with your results (David Fußhöller) afterwards PhD Gathering	5 pm, BMZ lecture hall
June 2 & 3	Workshop: How to write an animal study protocol	9:00 am to 1:00 pm, online
June 7 – June 10	Practical Course: Extracellular vesicles in Innate Immunity and virally induced G4-structures	9:00 am – 5:00 pm

June 7	BIGS I&I Workshop How to Series: How to publish open access	9:00 am – 10:30 am, online
June 7	Workshop: How to write a Human Study Protocol	9:00 am – 1:00 pm
June 14	Cluster Lecture Series: Cell biology of amyloid precursor protein processing and production of amyloid peptides in Alzheimer's disease	1:00 pm
June 17	BIGS I&I Gathering: Alter Zoll	7 pm
June 20 – 24	BIGS Summer School: Immunology at Scales	Potsdam
June 28 & 29	BIGS I&I Workshop: Basics in R	9:00 am – 5:00 pm, lecture building
June 30 – July 2nd	DGfI Translational Immunology School (Travel Grants)	Potsdam, Germany
July 1	Workshop: Introduction to RNA-seq Data Analysis with R	9:00 am – 5:00 pm
July 11	Cluster Lecture Series: Myeloid Cells in the Pleural Cavity: Insights from a tissue dwelling nematode (Judith Allen)	1 pm, hybrid
July 20 and 21	Workshop: Basics for statistics	9:00 am – 5:00 pm
August	2nd round of Travel Grants 2022	Deadline September 04
August 12	BIGS I&I Gathering: Alter Zoll	7pm
August 16	Cluster Lecture Series: Shaping Lymphocyte repertoire by microbiota (Oliver Pabst)	11 am, hybrid
August 29	The Single Cell Symposium	10 am – 2 pm, BMZ II
September 01	Lunch Seminar: Insider tips from an editor	12 pm, BMZ II
September 5	Workshop: Speaking with the hands: How your body shapes communication	9 am – 5 pm, online
September 09	Cluster Lecture Series: Neuro-immune interaction in the gut (Daniel Mucida)	10 am, hybrid
September 15 – 16	BIGS I&I Workshop: Research Data Management	10 am to 1 pm, online
September 26-28	BIGS I&I Workshop: Mass spectrometry (Core Facility Mass Spectrometry)	9 am – 4 pm, tba
September 19 – 21	Conference: Myeloid Cells in Immunoregulatory Circuits (Travel Grants)	Campus Poppelsdorf

September 26	BIGS I&I Workshop: Microscopy Workshop (Core facility microscopy)	9 am- 4 pm online
October 26-28	BIGS I&I Workshop: Mass spectrometry (Core Facility mass Spectrometry)	9 am - 4 pm,
October 04	Cluster Lecture Series: tba (Miguel Soares)	1:00 pm Lecture hall BMZ II
October 06 and 07	BIGS I&I Workshop: Image Analysis with Image J (Core Facility Microscopy)	9 am – 4 pm
October 11-13 or 10-12	Basics in R	9 am to 4 pm
October 09 - 14	DGfI Autumn school	Merseburg, Germany
November 3 - 4	BIGS I&I Workshop: Peer review Workshop (Brian Cusack) for advanced PhD students	8:30 am – 6 pm
November 22 - 23	Cluster Science Days	BMZ
January 9-11	Basics in R	9 am – 4 pm
